

Managing Emotional Mayhem

Presented by Vicki Price, CAPS Education Director

6-Week Parenting Class on Monday Evenings

March 27, April 3, 10, 17, 24, and May 1 — 6:00—8:00 PM

Child Advocacy & Parenting Services; 155 N. Oakdale, Suite 200

This class is based on the parenting program by Becky Bailey. The way adults handle emotional upset when children are throwing fits, back-talking, name-calling, being defiant and withdrawing will either aid or reduce their ability to develop self-regulation. Two decades of research tells us that self-regulation is a better predictor of academic success than IQ scores or entry-level reading and math skills.

Childcare available during classes for children ages 12 and under.
Call CAPS at (785) 825-4493 to register for the class and for childcare.
