

# CASA Volunteers

Lift up a child's voice. A child's life.™

Too many children in the child welfare system lose their families, their rights and their hope. Join our fight. Become a Court Appointed Special Advocate.

Every year children in Ottawa and Saline Counties are thrust into the court system through no fault of their own. Some are victims of physical violence, emotional torment or sexual abuse.

Others have been neglected or even abandoned by their own parents. Most of them are frightened and confused. Many have never known what it is to live in a safe place. The Ottawa & Saline County CASA program recruits, trains and supports community volunteers to speak up for children who have been abused or neglected.

Today 60% of the children in the system have no access to a CASA volunteer.

Give a voice to a child in need.

You can help end the cycle of abuse and neglect for Saline and Ottawa County children by supporting the CASA Program's efforts to recruit and train volunteers.

### **Donate.**

We have a proven approach; our only challenge is to scale it. Your financial contribution is a sound investment. All donations are tax-deductible and help us expand programs by serving more children, and recruit and train volunteers.

### **Volunteer.**

This is one cause where the actions of a single person mean everything. One volunteer, trained and empowered to ensure that every child can thrive in the safe embrace of a loving home.

### **Get involved.**

Don't have time to volunteer? You can still be a key part of the solution. Spread the word. Connect with us – we'll keep you informed on our progress and share the ways you can help protect the rights of abused and neglected children and ensure their future is bright.
