

# Chris's Place

## Child Advocacy Center

Assisting victims of sexual abuse  
and severe physical abuse.

### Pursuing justice for abused children.

Chris's Place Child Advocacy Center provides a child-friendly environment and developmentally-appropriate forensic interview for victims of sexual abuse and severe physical abuse.

**Reducing trauma** to victims by limiting the number of interviews they must undergo,

**...ensuring coordinated services and family advocacy** throughout the investigation and prosecution of the child's case, and

**... improving the quality** of forensic interviewing of children with disabilities in Central Kansas.

Contact the CAPS office at  
785-825-4493 for further assistance.

24-hour support and advocacy for children reporting their abuse to law enforcement or in medical emergency.

### About Chris's Place

Chris's Place is a child advocacy center in Central Kansas that utilizes a team approach to coordinate the investigation and treatment services for children involved in allegations of sexual abuse or severe physical abuse.

CAPS manages the center and provides 24-hour advocacy and support. Victims are provided with compassionate, non-judgmental services by individuals who have the knowledge, experience and advanced education essential to assisting victims.

Call 785-825-4493. For after-hour emergencies, please contact your local law enforcement.
