

Free at-home COVID-19 Tests for Vulnerable Communities

The Kansas Department of Health and Environment (KDHE) has partnered with Project Access Covid Tests (Project ACT) to offer free at-home COVID-19 tests directly to Kansans in vulnerable communities.

Visit AccessCovidTests.org, and enter your zip code on the home page (pictured below) to see if free, rapid, at-home COVID-19 test kits are available in your area.

If eligible, you can order a box of 5 free tests which will be delivered within 1-2 weeks.

Kansans who need help with ordering may call 1-866-534-3463 (1-866-KDHEINF), or please visit the FAQ page at accesscovidtests.org/faq.
